

The Biggest Room In The World!

Someone once said that the biggest room in the world is the room for improvement. Here at the **Navigator Truck Insurance Agency** we take improvement seriously. We are asking you to consider a change. Not for the sake of change, but because we believe our unique focus on truck insurance will help you to continue to improve your business.

Would an insurance Agent that focuses on truck insurance be of value to you?

We are looking for clients that value our focus, knowledge, and experience. With all of the insurance companies we represent, we not only offer competitive premiums, but more importantly we offer something that a *general* agent cannot. We offer access to:

- 
- ★ Creative payment plan options such as a “per mile” plan. If your truck is parked... there is no charge.
 - ★ A wide selection of transportation insurance companies that are rated A- or higher by A.M. Best.
 - ★ Educational seminars, symposiums, lectures on topics currently affecting the trucking industry.
 - ★ Agents, Account Managers and Client Service Associates that work exclusively servicing the needs of trucking companies (not restaurants, printers, manufacturers, contractors, etc.).
 - ★ A network of knowledgeable professionals (accountants, attorneys, regulatory consultants, safety consultants, associations, etc.) who specialize in the needs of trucking companies.
 - ★ Unique insurance programs, insurance companies, and risk financing.

Our web site address is **www.NavigatorTruckInsurance.com**. We invite you to visit it and consider a change. Not for the sake of change, but because our unique focus will help you to improve your business.
